Today, I stepped down as CEO of Binance. Admittedly, it was not easy to let go emotionally. But I know it is the right thing to do. I made mistakes, and I must take responsibility. This is best for our community, for Binance, and for myself.

...

On that note, I am proud to point out that in our resolutions with the U.S. agencies they:

- do not allege that Binance misappropriated any user funds, and
- do not allege that Binance engaged in any market manipulation.

Funds are SAFU!
